EDUCATION

Fashion Futures, Master of Arts (Distinction)

London College of Fashion, UAL, London

2022 - 2024

Interaction Design, European Bachelor of design

L'École de Design Nantes Atlantique, Nantes

2016 - 2019

Economic and Social Sciences Baccalauréat

Lycée Albert Camus, Nantes

2013 - 2016

I am a designer, storyteller and researcher interested in topics surrounding human behaviours in fashion. I am resourceful, willing to learn and selfmotivated. I have experience in graphic design and skills in video making, performance art creation and research in sociology and fashion. I am looking to start my career in the inspiring industry of arts and fashion. I am also willing to develop the skills I acquired throughout my university studies at the London College of Fashion.
